### INVOCATION

Sing heavenly muse,  
Tell of the nightmare of the schools,  
The students who don't learn,  
The teachers who don't teach,  
In a fairy tale land of untold wealth,  
Tell of Roger of the House of Lehecka  
And his vision of another world.  
It's three hundred people, neither teachers nor students,  
But both at the same time.  
They don't teach and they don't learn.  
They discover — each other.  
This book is the chronicle of a dream come true,  
As told by the dreamers themselves,  
For the dream and the dreamers have grown  
To include many dreams and many dreamers.  
Together they are called Project Double Discovery.  
This book is but a speck of the reality of those dreams.

“ Keep your eyes on  
the stars, and your  
feet on the ground. ”
